- Good for the environment

Help look after
your staff's hands!

Is a unique hand cleaner,
using natural zeolite and soft silica minerals that are only
found in New Zealand

“ I have found that Zeosoft is a fantastic product! It removes oil, grease, bonding glues, sealants and grime from my hands and, at last, I have found a hand cleaner that works ”

Joe Paget, Sales Controller, Vospers Motor Group

“ Zeosoft removes oils, paint and grease from the hands, leaving the skin feeling a lot softer after use. I would recommend the product to anyone ”

Peter Braggins, Director, Our Ideas Ltd
